

ISO 22196:2011 Antibacterial Test Certificate

This is to certify that

Product Number: 824376

supplied by

Reichle & De-Massari AG

has been tested to ISO 22196:2011 standards and shown to reduce

Staphylococcus aureus by $\geq 99.94\%$

Escherichia coli by 99.92%

Date of test: 29 January 2016
Test laboratory: Industrial Microbiological Services Limited
Registered in England 3264423

Certificate Number: 1029263.216/10267

Paul Phillips
Technical Manager

ISO 22196:2011 Antibacterial Test Certificate

This is to certify that

Product Number: 824377

supplied by

Reichle & De-Massari AG

has been tested to ISO 22196:2011 standards and shown to reduce

Staphylococcus aureus by $\geq 99.94\%$

Escherichia coli by 99.92%

Date of test: 29 January 2016
Test: Industrial Microbiological Services Limited
laboratory: Registered in England 3264423

Certificate Number: 1029263.216/10267

Technical Manager

ISO 22196:2011 Antibacterial Test Certificate

This is to certify that

Product Number: 825747

supplied by

Reichle & De-Massari AG

has been tested to ISO 22196:2011 standards and shown to reduce

Staphylococcus aureus by $\geq 99.73\%$

Escherichia coli by 99.99%

Date of test: 18 March 2016
Test laboratory: Industrial Microbiological Services Limited
Registered in England 3264423

Certificate Number: 1029644.13/10360

Paul Phillips
Technical Manager

ISO 22196:2011 Antibacterial Test Certificate

This is to certify that

Product Number: 825749

supplied by

Reichle & De-Massari AG

has been tested to ISO 22196:2011 standards and shown to reduce

Staphylococcus aureus by $\geq 99.71\%$

Escherichia coli by $\geq 99.87\%$

Date of tests: 13 November 2015, 13 May 2016
Test laboratory: Industrial Microbiological Services Limited
Registered in England 3264423

Certificate(s) Number: 1028771.425/10061, 1028771.413/10080,
1030020.58/10458

ISO 22196:2011 Antibacterial Test Certificate

This is to certify that

Product Number: 825750

supplied by

Reichle & De-Massari AG

has been tested to ISO 22196:2011 standards and shown to reduce

Staphylococcus aureus by $\geq 99.71\%$

Escherichia coli by $\geq 99.87\%$

Date of tests: 13 November 2015, 13 May 2016
Test laboratory: Industrial Microbiological Services Limited
Registered in England 3264423

Certificate(s) Number: 1028771.425/10061, 1028771.413/10080,
1030020.58/10458

ISO 22196:2011 Antibacterial Test Certificate

This is to certify that

Product Number: 825751

supplied by

Reichle & De-Massari AG

has been tested to ISO 22196:2011 standards and shown to reduce

Staphylococcus aureus by $\geq 99.71\%$

Escherichia coli by $\geq 99.87\%$

Date of tests: 13 November 2015, 13 May 2016
Test laboratory: Industrial Microbiological Services Limited
Registered in England 3264423

Certificate(s) Number: 1028771.425/10061, 1028771.413/10080,

ISO 22196:2011 Antibacterial Test Certificate

This is to certify that

Product Number: 825752

supplied by

Reichle & De-Massari AG

has been tested to ISO 22196:2011 standards and shown to reduce

Staphylococcus aureus by $\geq 99.71\%$

Escherichia coli by $\geq 99.87\%$

Date of tests: 13 November 2015, 13 May 2016
Test laboratory: Industrial Microbiological Services Limited
Registered in England 3264423

Certificate(s) Number: 1028771.425/10061, 1028771.413/10080,
