# FOCUS-LIGHTING

## Pelée Line

Design: Cubo Architects

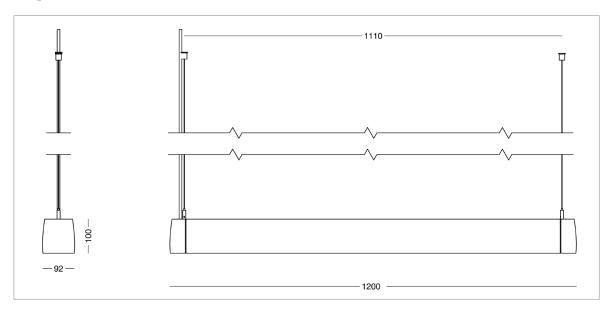

**PELÉE LINE** is the latest news in the Pelée family - now consisting of recessed, surface-mounted, suspended, and downlight luminaires. They are characterised by the concentric inner circles, diffusing light in a pleasant and non-glaring way.

**PELÉE LINE** is available up to 6 meter in length. Standard lengths are 1200, 1800, 2350, and 2900 mm. The luminaires are equipped with two LED channels for light up and downwards. The downward shade is prismatic, the upward opalised. The uplight in the full length of the luminaire is a spectacular supplement to the downward light.

Four options as to the direction of light: 100% downwards 35% upwards, 65% downwards 50% upwards, 50% downwards 65% upwards, 35% downwards

# Pelée Line - 1200

Design: Cubo Architects

Luminaire

Material: aluminium,

coated white, black, silver grey, or

corten brown

Shades: prismatic acrylate (downwards)

opal-white acrylate (upwards)

Lead: 3 m white PKLJ

Suspension: 2 x 2 m steel wire, 1.2 mm

Classification: IP20, class I Weight: ca. 5 kg Lamp type: LED LED and driver

LED: strips

Consumption:

100% downlight: 42 W Other variants: 58 W

Operational life: 50,000 hours, L80B10

Luminous power:

100% downlight: max 4000 lm Other variants: max 6000 lm

Colour temperature: 2700, 3000, or 4000 Kelvin

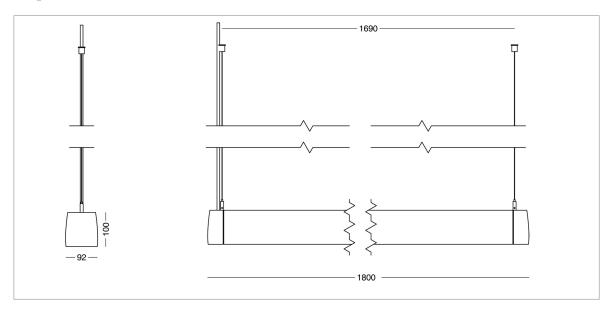

Colour rendering: min 90 Ra
Colour accuracy: 3 steps SDCM
Driver: Dali control

### **Product codes:**

PELÉE Line 1200										
Item No.	Lam	<b>.amp type</b> Select colour, colour temperature, and dimming in the table below.								
5109-	2000 lm, downwards									
5101-	3000 lm, downwards									
5102-	4000 lm, downwards									
5103-	5000 lm, up and downwards in a 35/65 ratio									
5104-	6000 lm, up and downwards in a 35/65 ratio									
5105-	4000 lm, up and downwards in a 50/50 ratio									
5106-	6000 lm, up and downwards in a 50/50 ratio									
5107-	5000 lm, up and downwards in a 65/35 ratio									
5108-	6000	6000 lm, up and downwards in a 65/35 ratio								
To be combined with:	Coating		Shade		Colour temperature					
	1	white	M	micro prismatic	927*	2700 K, 90 Ra	* Longer lead times			
	9	silver grey			930	3000 K, 90 Ra				
	17	corten brown			940	4000 K, 90 Ra				
	66	black noir 900								
Example order code:	5103	5103-1M930 = Pelée Line 1200, 5000 lm, 35/65, white, 3000 K 90 Ra, Dali								

# Pelée Line - 1800

Design: Cubo Architects

Luminaire

Material: aluminium,

coated white, black, silver grey, or

corten brown

Shades: prismatic acrylate (downwards)

opal-white acrylate (upwards)

Lead: 3 m white PKLJ

Suspension: 2 x 2 m steel wire, 1.2 mm

Classification: IP20, class I Weight: ca. 7 kg Lamp type: LED LED and driver

LED: strips

Consumption:

100% downlight: 56 W Other variants: 84 W

Operational life: 50,000 hours, L80B10

Luminous power:

100% downlight: max 6000 lm Other variants: max 69000 lm

Colour temperature: 2700, 3000, or 4000 Kelvin

Colour rendering: min 90 Ra
Colour accuracy: 3 steps SDCM
Driver: Dali control
